

2021-2022

CENTRAL OHIO'S MOST POPULAR FUTSAL LEAGUE IS CELEBRATING 12 YEARS!

Games and Futsal Advantage: Futsal Games will be played 5v5 on full size basketball courts with a regulation size futsal goal that will require a goalkeeper. A weighted futsal ball is used keeping the ball on the ground resulting in the use of more foot skills. The small court, faster surface and futsal ball has been proven to allow players almost twice as many touches as traditional indoor soccer. The court also demands that players have a better first touch and requires players to make quicker decisions. All of this results in a more technically sound and tactically aware soccer player!

Player Registration: Players will register as individuals, in their current age group, and each week they will be placed on a different team. SECFL is open to all players (U7 through High School) regardless of club, league or school affiliation. Individual players will get points based on how well their team does in comparison to other teams in their division on that match day. At the end of the season individual players who finish 1st, 2nd and 3rd place in their division will be awarded medals. This format allows players to compete as individuals within the concept of team play and promotes competition between teams and players each match day!

Game Set Up: There is one coach who officiates the match, manages substitutions and gives some instruction to both teams equally, but allows players to play, compete, organize and be creative making their own decisions. More coaching and teaching will be provided to younger, more inexperienced players. All coaching decisions will be made in the best interest of player development. All SECFL coaches are licensed and experienced.
